These seminars are based on the 2007 Kentucky Residential Code (KRC) and the 2009 International Energy Conservation Code (IECC). Applicants should be residential building officials, homebuilders, and home designers. Registration includes a copy of the 2009 IECC or the 2009 IECC Code Commentary. Participants who complete the class will be eligible for receipt of six (6) hours of continuing education credit.

Please select your date and location preference by checking one of the boxes below.

NOTE: Specific locations and directions to the site will be announced with registration confirmation.
